

The Bulldog Song

Words and Music 2015 Chip Carter

1

In 1785 a Bulldog bell first chimed

And when another victim falls they ring it every time

In 1929 Mr. Sanford built our home

'Tween the Hedges Saturdays our Bulldogs get their bone because...

CHORUS

That's the way they play football at Georgia

Go Bulldogs

That's the way they play football at Georgia

That's the way they play football at Georgia

Go UGA

That's the way they play football at Georgia

2

Frankie Sinkwich sho' could play and he struck a Heisman pose

Wallace Butts drove the nation nuts and he brought a title home.

Charlie Trippi sho' was tricky slippin' through that line

Scramblin' Fran was a ramblin' man and he got free every time because

CHORUS

Go Bulldogs

3

Dooley's Dogs stool proud and tall, Erk's Junkyard Dawgs had bite

The SEC 1980 was set up for a fight

Herschel didn't walk he ran, over everything in sight

And the sugar fell down from the sky on a January night because...

CHORUS -- Go Munson, Go Herschel

4

David Greene was lean and mean and could throw the ball a mile

David Pollock on the other side played like a man gone wild.

Terrell Davis, Garrison and their little bro Knowshon

Ain't 'tween the Hedges any more but their legends will live on because...

CHORUS – Go Bulldogs, Go Kirby

BRIDGE

Stanfill, Woerner, Boss and Champ

A.J., Terry Hogue

Moonpie, Jake Scott, Kevin B

The list goes on and on and on

5

There's stories to be written yet on Dog Day afternoons

By kids with guts and fire inside still a dreamin' in their rooms

They'll find their way to UGA and make the Nation proud

So Bulldogs get up on your feet and shout our story loud because

CHORUS

That's the way we play football at Georgia

14 sec championships. 6 national titles, go count 'em, 2 Heisman trophies winners,

24 all Americans...

Glory glory forever... Amen

Steppin' on their face with a hobnail boot...

Thank you Larry
